**THE ARTS IN THE MICRO COMMUNITY 2026:
CONNECT, CONVERSE, COLLABORATE!**

May 12, 2026

The Wisconsin Arts Board invites you to Lowenwood in Land O' Lakes, WI on Tuesday, May 12 from 10am to 4pm.

Join fellow leaders from Northern Wisconsin (north of Highway 8) and Michigan's Upper Peninsula. We'll spend the day working on arts-related ideas and practical tools to help the region's micro-communities (with populations under 2,500) thrive.

Stay tuned for more information coming in March.

*Would you like to help by co-designing, speaking, or leading a table discussion?
